

ONE TO ONE DISCOVERY WALKS & PHOTO CLASSES

A perfect gift idea for your favourite photographer

A private PHOTO WALK is designed to provide personal attention regarding your level and interest, be it technical photography or just concentration on a theme, allowing you to obtain a more mature photographic result. More than anything, it will allow you to delve a bit deeper into what makes up life in these mountains - with or without a camera. The ONE TO ONE formula is above all a nice way for a private group of friends to share a fine moment and discover Chamonix in a different manner.

VALLORCINE - ENJOY SEEING YOUR PHOTOS EXHIBITED DURING THE 2016 PHOTO EXPO

Pride of place could be the motto for the locals of Vallorcine, a mountain village at the tip of the valley with unique Walser architecture, black cows, and a traditional café. YOUR images, taken during this walk, will be on display for the upcoming FOUR SEASONS OF VALLORCINE photo exhibit in 2016. This is an especially nice opportunity for the up-and-coming young generation of photographers to show-off their talent.

Perhaps the most impressive perspective of the Mont Blanc range is found in this natural setting.
